2022/04/13

Members present: Chair Carol Waag, Kim Baker, Mitch Feldmesser, David Fuller and Wayne Main(recused himself from voting).

Present: Barry & Meghan Bernard and Jeffrey Smith, Field Scientist

Meeting began at 6:01

RDA: Determination: 85 Chipman Rd. driveway and culvert within buffer zone. Jeffrey Smith stated that performance standards will be met on the banks of the stream, starting out with planting annual winter rye. Two large culverts together should be adequate for containing the flow. After review, the Board requested that the specific numbers of plantings be written out, the removal of plastic silt fence be noted as well as a follow-up site visit for inspection. The Chair asked for a motion. Mitch arrived and was brought up to date. Kim motioned to proceed with the determination, David 2nd. The Chair motioned to add the word negative to the ongoing motion. Kim 2nd. Vote 4-0. The Board wrote out the negative determination. Mitch questioned the procedure to make the determination and refused to sign. Carol Waag, Kim Baker and David Fuller signed the negative determination.

6:30 The Con Com discussed new business as Wayne Main and Alt Barry Bernard rejoined the meeting
